LOCAL NEWS.

FRIDAY EVENING, APRIL 26.

THE ORANGE, ALEXANDRIA AND MANAS-SAS RAILROAD.—The consolidation of the Orange and Alexandria and Manassas Gap Railroad Companies, has been virtually accomplished, and henceforth these two great lines of railway will be under one management. The object seems to have been desired by both companies, and while the officers and Stockholders of the Manassas Company relinquished their organization with a natural reluctance, yet it was considered the most advantageous arrangement that could be made for the completion of the road for which they have so nobly struggled, and which the chances of war alone prevented them from accomplishing. It is due to the Directory of the Manassas Comgany to state that they have ever had in view, in all their acts, the welfare and prosperity of Alexandria, and in agreeing to the transfer of their road to the Orange & Alexandria Railroad Company they have done it, thinking that by so doing the interest of our good old town would be enhanced, and the great pecuniary sacrifices it has made in behalf of Manassas in some manner compensated.

MARYLAND FERRY. - We are pleased to learn that the project for re-establishing a Steam Ferry, between this city and the Maryland shore opposite, has been revived, and with a fair prospect for its accomplishment. Several of our prominent merchants are agitating the subject, in conjunction with some of the citizens of Prince George's county, Md., who are also deeply interested in the establishment of the proposed ferry, and who have offered freely to aid in its establishment. It is hoped that a speedy consummation of their wishes may be realized. It is proposed to call a meeting of the old subscribers at an early day and re-organize the company, and if the necessary amount of stock can be subscribed, of which there appears to be no doubt, to at once make the necessary arrangements for carrying out the project. Of the time and place of the proposed meeting, due notice will be

MARK OF ESTEEM. - As an indication of the regard and esteem entertained for EDWARD C. MARSHALL, esq , the President of the late Manassas Gap Railroad Company, that gentleman was unanimously elected a provisional Director in the new company, by the stockholders of the Orange and Alexandria Railroad Company, at their meeting yesterday evening, immediately upon the adoption of the act consolidating the two roads. Dr. Kauffman, one of the Manassas Directors, and a gentleman deservedly popular and highly esteemed, was also elected a provisional Director in the new company.

DISAPPOINTMENT .- A crowd of about five hundred persons gathered in front of St. Mary's Church, last night, to witness a marriage ceremony that was to take place within, but the happy couple entering by the side door acting Mayor, and in default of payment of were united in the holy bonds in the presence of a few invited guests, and when the door was opened the bride and groom emerged, and the crowd who were about to walk in, were disappointed in their expectations. The disappoinment can in nowise be attributed to the parties immediately interested.

FENIAN MEETING .- At the regular weekly meeting of Sarsfield Circle, of the Fenian Brotherhood, held last night in the hall of the crease. There should be a place, as well as "a Friendship Fire Company, Captain Murphy resigned the position of Head Centre, in consequence of his anticipated removal from this city. A vote of thanks was unanimously of luminous volume, the Corporation Laws, (if it fered him, in response to which he made a can be found) he will find no clause appropriatbrief but eloquent speech. The election of Head Centre was postponed until next Thursday night.

COAL COMPANIES COMING. - We learn that the agent of the Cumberland Coal and Iron Company will, in a few days, have some necessary repairs made to the wharf property of that Company at this place, and will transfer his business from Georgetown to Alexandria. It is expected that the Borden Mining Company will shortly "follow suit."

THE ODD FELLOWS' CELEBRATION.-The members of Potomac and Sarepta Lodges and Marley Encampment, numbering upwards of one hundred, left this city this morning in the 8 o'clock train for Washington, to unite in the Odd Fellows' celebration to take place in that city to-day. They will return to-night, in a special train, at 12 o'clock.

Horses Recovered.-Mr. Samuel Birch, from the county, had two fine horses, which he had driven to town, stolen from him last night, QUANO AND FERTILIZERS. at Fishtown.
